ABSTRACT

This bibliography, a selection of documents from the holdings of the Regional Office library, supplements and up-dates the "Bibliography for a Review of Education in the Asian Region" which appeared in the "Bulletin," Volume I, Number 1, September, 1966. Entries are divided according to country or geographic area and include, among others, Afghanistan, Burma, Cambodia, India, Korea, Pakistan, Singapore, Vietnam, as well as an International section. Most items are in English, with a few citations to documents in Japanese, French, etc. Included are monographs, journal articles, government and research reports, conference papers and miscellaneous items of a fugitive nature.
